IT IS EASIER TO GUIDE ONE THOUSAND CHILDREN TO THE "STRAIGHT ROAD" THAN
TO TURN ONE MAN OR ONE WOMAN FROM THE "CROOKED PATH."

Building—The Settlement received from the City, for damages to their property through the building of the bridge over the Don at Queen Street, \$50,131.95. The commodious new building erected by the Settlement, with necessary alterations to the old building, have cost about \$59,000, leaving about \$9,000. to be provided on this account.

Summer Cottage—The summer house on Lake Simcoe, opposite Barrie, with about forty acres of land, was purchased at a cost of \$15,000 and presented to the Settlement. The cost of furnishing and putting the house in order for the season was largely borne by the Settlement members and amounted to about \$1,500.00. During the year 670 women, boys and girls were taken care of, affording each of them from one to four weeks pleasant and healthful holiday.

For the moral and physical benefit to a vast number of boys and girls, there is no better work being done in Toronto.
